

OVERVIEW

The City of Calgary is creating a Master Plan that will guide the future development of a multi-use recreation hub for the Greater Forest Lawn area. The Master Plan will provide a redevelopment roadmap that will reflect the needs and desires of the community through an extensive public engagement, planning and design program.

WHAT IS A MASTER PLAN?

A Master Plan establishes a shared long-term vision and preferred layout to guide future development processes.

PROJECT GOALS

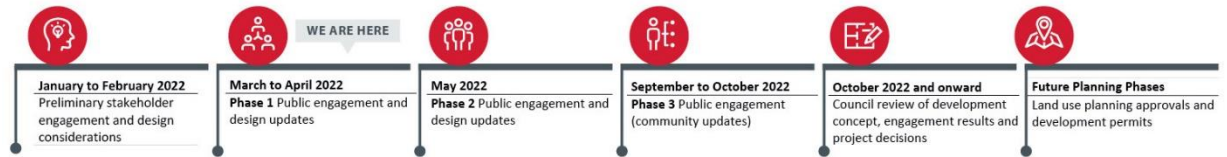

- Establish a multi-use recreation hub for the Greater Forest Lawn Area
- Provide accessible, convenient, safe, affordable and inclusive services to support the aspirations and needs of the diverse local population and organizations
- Invest in facilities for the Greater Forest Lawn area
- Provide facilities that broadly support Calgary's youth, artists, and sports, recreation and multi-cultural organizations

LOCATION

COMMUNITY ENGAGEMENT

Community engagement is a key component of the project to ensure a complete range of input and perspectives is captured and reflected in the Master Plan.

Through this process, we are looking for input on:

- Establishing a new vision for the site
- The existing user experience
- Creating a safe, inclusive and accessible community hub
- Identifying future programming and amenities that may include:
 - Arts and cultural spaces, and services
 - Community / social gathering spaces
 - Civic services for all ages and abilities
 - Sports, fitness, and recreation facilities
