

<b>PAST</b>	
<b>What We Heard</b>	<b>What We Did</b>
Additional historic sites and persons	<ul style="list-style-type: none"> <li>Information is being assessed by a local historian and when confirmed it would be added to the history section of the Local Area Plan (LAP). Those facts already confirmed have been added to the updated history section.</li> </ul>
R-C1 Zoning / densification	<ul style="list-style-type: none"> <li>Low scale growth and change, which related to the R-C1 zoning, will be discussed during a specific session/meeting as part of engagement phase 2 and it will continue to be a topic of discussion throughout the process.</li> </ul>
Other themes mentioned	<ul style="list-style-type: none"> <li>Information is being assessed by a local historian and when confirmed it would be added to the history section of the LAP. Those facts already confirmed have been added to the updated history section.</li> </ul>

<b>PRESENT</b>	
<b>What We Heard</b>	<b>What We Did</b>
Inclusion of specific missing assets	<ul style="list-style-type: none"> <li>The illustrative map has been removed from Chapter 1. The illustrative map was meant to highlight a few assets in the plan areas. The map was used as an engagement tool.</li> <li>The Community Characteristics and Attribute map will be amended to include any missing information. The Community Characteristics and Attribute map which will be part of the final draft of the LAP, generally includes all schools, community association and green areas in the Plan Area.</li> </ul>
Green spaces	<ul style="list-style-type: none"> <li>One of the Heritage Communities core values supports an enhance tree canopy. Opportunities to enhance the tree canopy will be discussed during engagement phase 2 and policies may be included in Chapter 2 and 3.</li> <li>Natural features, open areas and urban forestry references are already included in Chapter 1.</li> <li>Information on public trees across the city can be found in the following inventory map (<a href="http://calgary.ca/UrbanForestManagement">Urban Forest Management (calgary.ca)</a>). This information is being used as a reference during the process.</li> </ul>
Improvements to community and recreation assets	<ul style="list-style-type: none"> <li>The draft Chapter 1 mentions community assets at a high level and highlights some as examples. Examples are not</li> </ul>

	<p>to be exclusive but provide high-level ideas of the assets in the Heritage Communities.</p> <ul style="list-style-type: none"> <li>• Updates will be included in Characteristic and Asset Map if missing information is identified. The Characteristic and Asset Map shows the School, Community Association, Arenas and recreation facilities as well as open spaces.</li> <li>• Potential enhancements to recreation assets will be discussed during phase 2 engagement and infrastructure improvements may be included in draft Chapters 2 and 3.</li> </ul>
Infrastructure improvements	<ul style="list-style-type: none"> <li>• Elbow Drive S.W. has been identified as a Community Corridor and policies in draft Chapter 2 are expected to include general direction for enhancing the public realm along this corridor.</li> <li>• Reference to Macleod Trail S. has been added in the Pedestrian and Cycling infrastructure. One of the core values refers to enhancing Macleod Trail S. Policies in draft Chapter 2 are expected to include general direction for continuous, accessible and safe pedestrian infrastructure along Macleod Trail S.</li> <li>• Further discussion on potential upgrades and infrastructure improvement will be discussed during phase 2 engagement and included in Chapter 3.</li> </ul>
R-C1 Zoning / Densification	<ul style="list-style-type: none"> <li>• Low scale growth and change, which related to the R-C1 zoning, will be discussed during a specific session/meeting as part of engagement phase 2 and it will continue to be a topic of discussion throughout the process.</li> </ul>

<b>FUTURE</b>	
<b>What we Heard</b>	<b>What We Did</b>
R-C1 Zoning / Densification	<ul style="list-style-type: none"> <li>• Low scale growth and change, which related to the R-C1 zoning, will be discussed during a specific session/meeting as part of engagement phase 2 and it will continue to be a topic of discussion throughout the process.</li> </ul>
Infrastructure and public realm improvements	<ul style="list-style-type: none"> <li>• No specific action required for chapter 1 as one of the core values speaks to Improving Connectivity in the Heritage Communities, with an emphasis on east-west connections. Information has informed draft Chapter 2 and 3.</li> </ul>

	<ul style="list-style-type: none"> <li>Chapter 2 is expected to include policies for creating more pedestrian friendly areas, especially along the Community Corridors, Transit Station Areas and other areas in the Heritage Communities.</li> <li>Potential enhancements to the public realm in support of growth and change will be discussed during phase 2 engagement and infrastructure improvements could be included in draft Chapters 2 and 3.</li> </ul>
Green space preservation and enhancement	<ul style="list-style-type: none"> <li>Two of the core values speak to enhancing open spaces and enable resiliency, speak to the natural areas, water courses and outdoor spaces. These core values will be foundation for policies in Chapter 2 and 3 in support of preserving and enhancing those areas. Policies may also support passive and active recreation in the Heritage Communities.</li> <li>Improving access to pathways and natural areas could be discussed during phase 2 engagement and opportunities for infrastructure improvements could be included in draft chapters 2 and 3.</li> </ul>
Vision / Core Values / Process	<ul style="list-style-type: none"> <li>The vision and core values are general and high-level ideas that are the foundation for policies in a plan. Policies will provide more specific details.</li> <li>Vision: the word “commercial” has been added to reflect the context of the Heritage Communities.</li> <li>Core Values: additional words have been added or words have been replaced for clarification.</li> <li>A short paragraph will be included in Chapter 1 to clarify a few new terms. A list of terms is being created and will be added as an Appendix in the final draft of the LAP to help everyone understand each new term introduced in the vision and core values.</li> <li></li> </ul>
