

## Inglewood & Ramsay City Projects Update

May 8, 2023

See below for information we've collected on City projects in Inglewood and Ramsay.

### Celebrate World Migratory Bird Day at the Inglewood Bird Sanctuary

Join us Saturday, May 13, between 10:00a.m. and 2:00p.m. for Connect with Birds, a multi-exhibit celebration of World Migratory Bird Day.

- Download the free IndigiTRAILS app to take a self-guided 3D virtual tour of the Winged Wisdom trail, showcasing Indigenous stories of Birds in Treaty 7 Territory.
- You'll learn more about this year's theme: Water - sustaining bird life.
- We're also asking you to share your thoughts and feedback on Connect: Calgary's Parks Plan to help us develop the next 20-year plan for Calgary's parks.

You'll need to install the IndigiTRAILS app and have GPS or location services turned on to experience the self-guided virtual tour. For a more enjoyable experience, we recommend you do this prior to arriving at the event.
