

## Map 1: Draft Urban Form Map

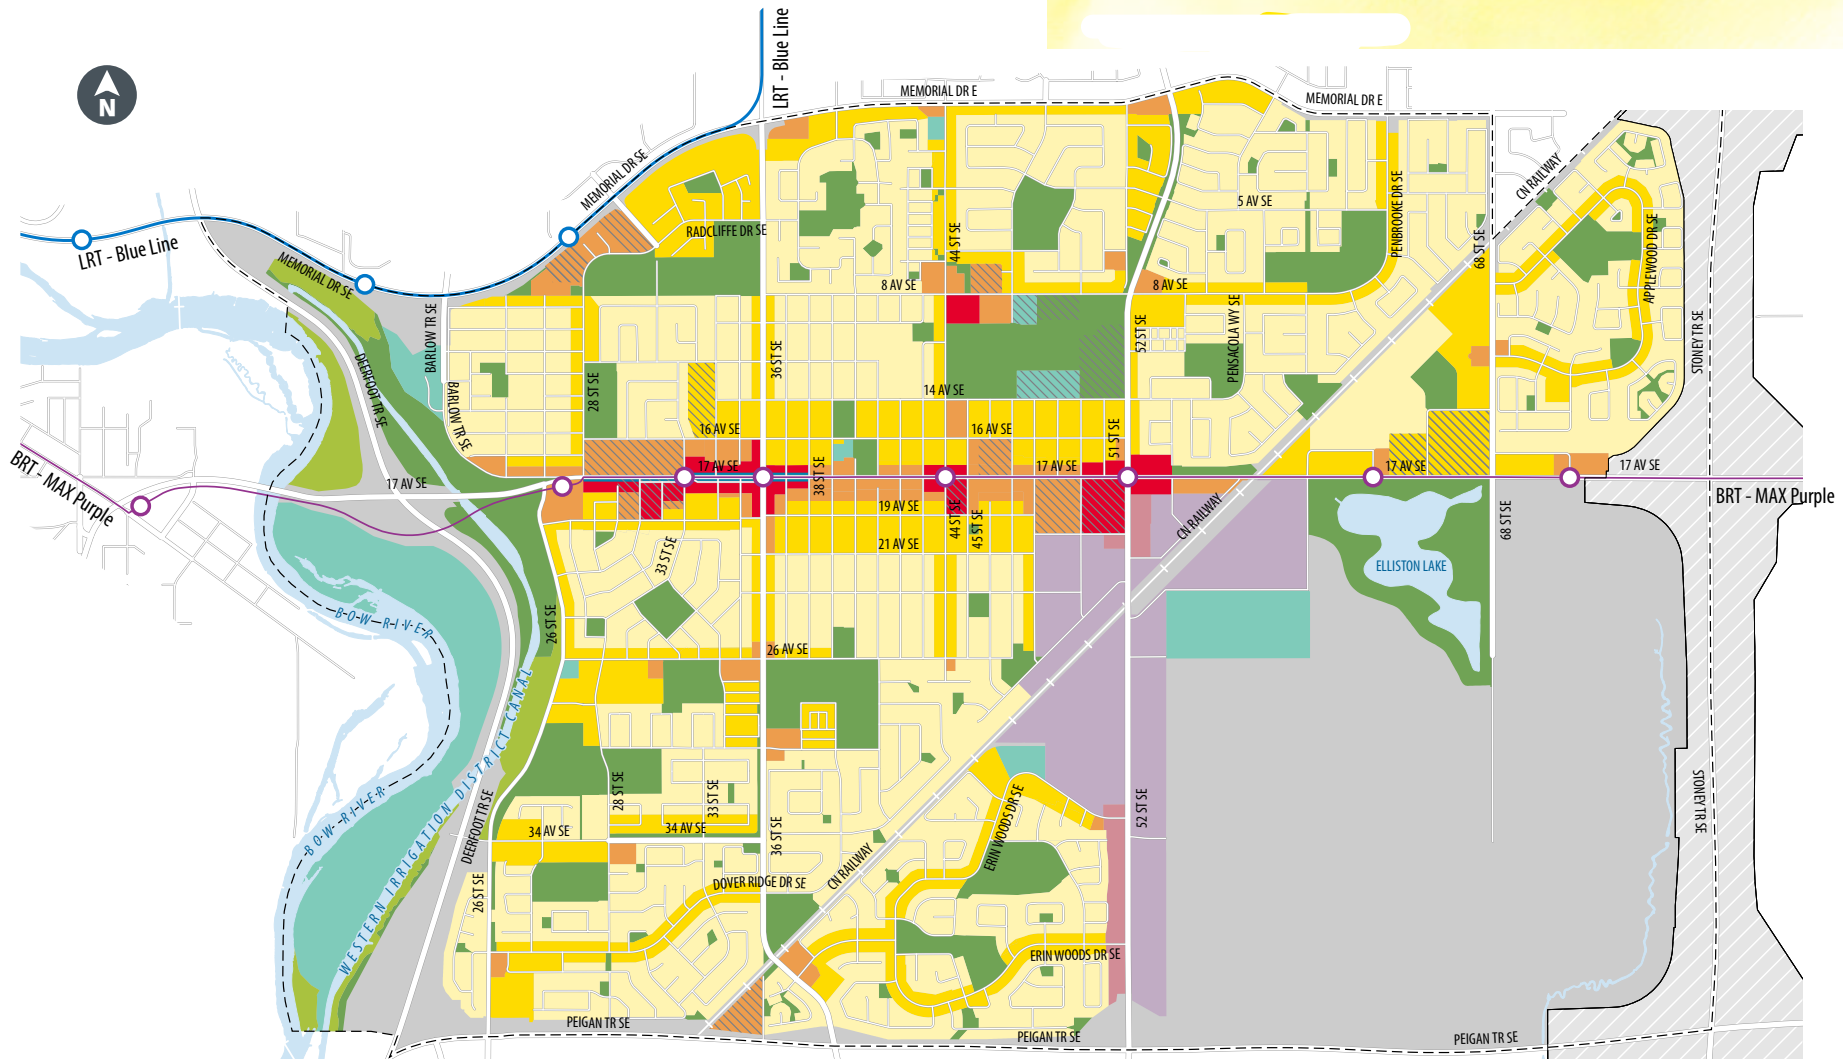

This map shows what types of uses a building could have – residential only, commercial and/or business or a mix of residential and/or business.

### WE NEED YOUR INPUT

These initial draft maps are not finalized and we still need your feedback to help us further refine the maps.

Do you think any changes to the draft Urban Form and Building Scale Maps should be considered? Please explain what change(s) you think should be considered and why?
